BOOKING INFORMATION

The cost is £128 per person*.

There are additional fees per night/per person for en-suite accommodation or single occupancy of a twin room (there are 18 en-suite rooms, but only five single rooms of which four are en-suite). As we expect to be fully booked, and as there are very few single rooms, you are asked to be prepared to share so that we can accept all those wishing to attend. If you know who you would like to share with in advance, please let the Manager know when booking. Please state your double or twin preference as there are some rooms with flexibility, also en-suite requests, at the time of booking. Those wishing to attend as a day visitor, must book their meals directly with The Nightingale Centre and advise the organiser Joan Wilkinson: details at the foot of the booking form.

If you are under 35 years of age and wish to attend, there are two sponsored places available. Please contact the organiser.

Please inform the Centre of dietary or mobility needs at the time of booking. The Nightingale Centre will handle all room bookings but the registration form (opposite) should be sent to Joan Wilkinson.

To book your accommodation please contact Centre Manager Stella Burney either by e-mail or telephone and send your non-returnable £20 deposit by cheque to The Centre or through BACS to:
